

General Note About CBN Compositions

(Photo from 2016)

Carl Bergstroem-Nielsen was born in Denmark 1951. He specialised as a composer in the open forms and taught improvisation, composition and aural scores at Aalborg University, Denmark 1983-2014 besides being active internationally as a composer, musician and workshop leader.

His compositions center strongly on open composition for improvising musicians. Instruments are only specified to some extent -see remarks stated with individual pieces. Duration may be unspecified. Suitable size of ensemble could be 3-5 musicians.

Graphic notation, graphic scores, verbal or text scores / prose pieces, instructional scores, structured improvisations are other names for this kind of composition.

See here for more entries of compositions and writings in the Virtual Research Library of Aalborg University (Denmark):
